[admin@bromptonsawdon.n-yorks.sch.uk](mailto:admin@bromptonsawdon.n-yorks.sch.uk) Headteacher: Mr. G Robinson

Hi everybody,

I must start by saying a huge well done to our **Year 3/4 cricketers** who again represented the school so well last night at their tournament at Pindar, playing with a great supportive and sporting attitude. Next week our **Tag Rugby team** will be taking part in a tournament at Scarborough Rugby Club where I'm sure they will represent the school just as well. We want to give the children the skills to *win well* and *lose well*, always enjoying the competition and challenge whatever the outcome.

Extending opportunities for **sport and physical activity** is something which we are always looking to improve and there are exciting plans on the horizon! Very soon the children will be able to enjoy their own astroturf ball court at playtimes, as well as new basketball hoops. In fact, the outdoor areas will soon look quite different – Kingspan have kindly sponsored a **garden room** which will soon be positioned in the Class1 outdoor area – giving the children additional covered learning/play space and offering an additional teaching space. We want our Year 1 children to be fully prepared for life in Class 2 and having this additional space will allow us to teach them increasingly as a group. You will notice the **EYFS outdoor area** evolving even more as we head through Summer Term, increasingly reflecting our ambition to be inspired by nature and outdoor learning.

Continuing the theme of outdoor learning, the **Wild School Passports**, which the children will be able to work towards by demonstrating certain skills or knowledge of flora and fauna, are now taking shape. Alongside these, we intend to have badges that the children can work towards, so that they can proudly show that they have achieved or demonstrated the various aspects/skills of this new curriculum. We hope that they will aspire to become Nature Experts in different areas – allowing them to support and mentor the other children. We have taken on board your feedback regarding being unclear exactly what skills the children learnt in Forest School and created an overview of skills and knowledge that we want the children to achieve from when they arrive in Class1 to when they leave in Class3. We'll share this with you later in the term. **I'm so excited about what we can offer the children, and the difference that we can make to their outlook, aspirations and knowledge. The children will love it. The environment on a local and global scale will be far better for it too.**

Next week is **Children's mental health week**. To recognise this, a **Yoga and meditation teacher** will be visiting school on Wednesday to deliver a session for each class, teaching the children different Yoga and meditation techniques in order to further develop their understanding of maintaining good mental health. Class discussions will explore this further.

Tuesday is **National Internet Safety Day**. You may have seen our latest **online safety newsletter** which I shared yesterday on Dojos. As always, if you have any concerns regarding this please come and speak to us and we will support/help in whatever way we can.

## **Safeguarding**

Should you have any **Safeguarding** concerns, please report these to Mr Robinson (Designated Safeguarding Lead) or Mrs Davis (Deputy Safeguarding Lead) in his absence. You can do this by telephoning the school number on 01723 859359 or by emailing [headteacher@bromptonsawdon.n-yorks.sch.uk](mailto:headteacher@bromptonsawdon.n-yorks.sch.uk) / [kdavis@bromptonsawdon.n-yorks.sch.uk](mailto:kdavis@bromptonsawdon.n-yorks.sch.uk), or via **dojos**. Where there are significant immediate concerns about the safety of a child, please contact the police on 999. If you believe the situation is urgent but does not require the police, please call 01609 780780 to make a telephone contact. The Emergency Duty Team can be reached out of hours on this same number. The no. for anyone to make a referral is 03001312131

**As always, if you have any questions, thoughts, ideas or concerns, please don't hesitate to contact me. They will be very much valued. Have a great weekend, Mr R**

In order to be aware of what costs are on the horizon, it has been requested by parents that we publish an annual snapshot of what we are planning. Things could change, dates could move and costs could alter, ad hoc requests will be added – however this is an estimation to help with family budgeting. We have taken the decision, that for National Fundraising Events, whilst we will support in order that the children feel connected, we will not be asking for voluntary contributions. Regarding school trips, where possible the fundraising that FRIENDS do is well, please for the transport costs. Other costs will be requested as voluntary contributions from families and/or paid for by school. If enough money is not raised, please do not panic. Trips may need to be cancelled. We hope this helps. If at any time you are struggling, then please do come and talk to any of us in school, to try and find a solution, so that your child can continue to benefit from the wider opportunities we are offering.

### PARENT LUNCH INVITATION – any week day
