

Personal development of all pupils at Brompton and Sawdon Community Primary school

At Brompton and Sawdon Community Primary School we believe that all pupils must be provided with an education that prepares them well for the opportunities, challenges, responsibilities and experiences of adult life, enabling them to make informed decisions about their lives. We have tailored our Personal Development curriculum to reflect the needs of our pupils, equipping them with a secure understanding of risk and the knowledge and skills necessary to make safe and informed decisions

Our Personal Development Curriculum is underpinned and informed by our school Pillars. The below table outlines how these shape all curriculum delivery and every interaction in school.
