Friday 7th February 2025. No. 20

Hi everybody,

As you will probably have seen, the **minibus** has already been a fantastic asset in getting the children out and about to bring learning to life. This week already we have gone out to take part in **the Great British Garden Birdwatch** and visit **Flamingoland**. It will make a huge difference to the learning of the children.

Our next **Wild School expedition** will take place next Thursday. Let's hope for some better weather than the last two times! We've had rain and snow – we must be due some sunshine! Miss Watts will share more details on Dojos shortly.

The cricket team again did brilliantly well last night in their event and I really look forward to the Summer season now that we can access practice facilities so much easier. It's great to see so many different children playing.

You may have seen on our social media that we are conducting some **market research** regarding the demand for **nursery places** in the area. If you haven't, please have a look! We are always looking to improve our offer for the young people in the area and research like this is an important part of shaping possible future developments.

You may have seen our latest **online safety poster**, which I shared on Dojos earlier this week. As always, if we can help in any way regarding this, please let me know.

If you have any **Safeguarding** concerns, please report these to Mr Robinson (Designated Safeguarding Lead) or Mrs Davis (Deputy Safeguarding Lead) in his absence. Please contact the police if there are immediate concerns. If you believe the situation is urgent but does not require the police, call Customer Services on 03001312131.

As always, if you have any questions, thoughts, ideas or concerns, please don't hesitate to contact me. They will be very much valued.

Have a great weekend,

Mr R

ANNUAL BUDGETING HELP 2024/2025

In order to be aware of what costs are on the horizon, it has been requested by parents that we publish an annual snapshot of what we are planning. Things could change, dates could move and costs could alter, ad hoc requests will be added – however this is an estimation to help with family budgeting. We have taken the decision, that for National Fundraising Events, whilst we will support in order that the children feel connected, we will not be asking for voluntary contributions. Regarding school trips, where possible the fundraising that FRIENDS do so well, pays for the transport costs. Other costs will be requested as voluntary contributions from families and/or paid for by school. If enough money is not raised, please be aware that trips may need to be cancelled. We hope this helps.

If at any time you are struggling, then please do come and talk to any of us in school, to try and find a solution, so that your child can continue to benefit from the wider opportunities we are offering.
