

Prevent Duty Risk Assessment Tool and Action Plan 2025/26

Name of School: Brompton and Sawdon Primary school	DSL / Prevent Lead: Gareth Robinson	Date of assessment: February 2025	Date of next review: March 2026
<p>The UK National Threat Level - The current threat to the UK from terrorism is SUBSTANTIAL, an attack is likely. The threat level reflects the threat from all forms of terrorism regardless of which ideology inspires it and considers the threat from Islamist Terrorism (IT), Extreme Right-Wing Terrorism (ERWT) and Left Wing, Anarchist and Single Issue Terrorism (LASIT).</p> <p>The threat to the UK stems from, Self-Initiated (S-IT) Terrorist acting in support of Islamist or Extreme Right Wing. The Islamist Terrorism is currently the largest terrorist threat faced by the UK, (Three quarters of the threat to the UK). The Extreme Right-Wing Terrorism, (ERWT) represents almost a quarter of the threat to the UK.</p> <p>Online extremism plays an increasingly prominent role in the way in which radicalisation occurs.</p> <p>Age (where known) – Those aged 15 to 20 accounted for the largest proportion of referrals, 32%, this is in line with the previous year. The second largest group was those aged 14 and under who accounted for 31% followed by those aged 21 to 30 – 14%. Gender (where known) – 90% of referrals were for males in the year ending 31 March 2023.</p>			

Leadership and Partnerships

Risk	Existing Measures	RAG	Further Actions	Assigned to	Timescale
<p>Leadership</p> <p>Leaders (including governors) do not understand the requirements of the Prevent Statutory Duty.</p> <p>The duty is not managed or enabled at a sufficiently senior level.</p> <p>The setting does not place sufficient priority to the Prevent and risk assessment/action plans (or does not have one) and therefore actions to mitigate risks and meet the requirements of the duty are not effective</p>	<p>Leaders (including governors) understand the requirements of the Prevent statutory duty and the risks faced by the staff and pupils via annual training and updates. There is robust Safeguarding policy in place that includes Prevent Duty key information regarding terrorism, radicalisation and action to take when there are safeguarding concerns. Updated annually</p> <p>A Prevent Lead is in place: GARETH ROBINSON</p> <p>Safeguarding named governor: JOE KINSELLA</p> <p>PSHE lead: GARETH ROBINSON</p> <p>A prevent risk assessment and action is in place which is reviewed every 12 months and includes current national and local risks. Updated March 2025.</p> <p>Safeguarding compliance is monitored by the DSL, nominated safeguarding governor and via the school Improvement Team. Evidence: Governor visit reports, HT safeguarding reports and School Improvements team and safeguarding visit reports.</p>		<p>Prevent risk assessment and action to be reviewed and approved by the governing body, Spring Term 2024.</p> <p>Safeguarding policy updated Autumn 2025 and shared with all staff and governors.</p> <p>Prevent/ radicalisation updates included within safeguarding annual report.</p>	HT	1/3/26

Working in Partnership

Risk	Existing measures	RAG	Further action required	Assigned to	Timescale
The school is not fully aware of the national and local risks, does not work with partners to safeguard children vulnerable to radicalisation.	<p>The Prevent Lead / DSL is aware of national and local issues via the local Counter Terrorism Local Profile (CTLP).</p> <p>The Prevent Lead is aware of local prevent referral and channel panel process.</p> <p>The Prevent Lead / DSL will share information or attend safeguarding or Channel Panel meetings when required.</p> <p>The safeguarding policy includes key Prevent contacts and the referral process.</p>		For the DSL/Prevent Lead to attend or gain updates from the newly formed local Prevent groups for the Central, East and West area on a quarterly basis. Where	DSL/ Prevent Lead	

	<p>The school has strong partnerships with local partners:</p> <ul style="list-style-type: none"> • NY Safeguarding Children's Partnership • DSL / headteacher forums • the LADO • Community Safety Partnerships • Police Prevent Team • Channel panel • MAST 		<p>local risk will be shared via the CTLP.</p> <p>DSL to refresh channel training annually</p>		
Capabilities / sharing information.					
Risk	Existing measures – evidence	RAG	Further action required	Assigned to	Timescale
<p>Capabilities</p> <p>Staff training</p> <p>Staff do not recognise the signs of exploitation or vulnerabilities and the risk of harm is not reported promptly by staff.</p> <p>Information sharing Staff do not share information with relevant partners in a timely manner.</p>	<p>The Prevent/ DSL has complete training in the last 2 years. Date of training: Sept 24</p> <p>All staff have completed Prevent training within the last 2 years and have received an update on local issue. The training include factors that lead children to supporting ideologies, signs and indicators of radicalisation and actions to take where there are concerns (schools safeguarding procedures)</p> <p>The effectiveness of training is evaluated on a regular basis - Knowledge checks completed via staff quizzes.</p> <p>All governors have completed Prevent training. Prevent training is logged within the schools safeguarding training logs and is reviewed annually</p> <p>There is a robust Safeguarding policy in place that includes Prevent Duty key information regarding exploitation, terrorism, radicalisation and action to take when there are concerns.</p> <p>All safeguarding concerns are reported and record on CPOMs. These are reviewed in a timely manner by the DSL / Prevent lead with a focus of early intervention.</p>		<p>Prevent training reviewed to be completed.</p> <p>Knowledge checks to be complete with staff regularly</p> <p>New governors to complete Prevent training. Refresher training for all staff in Autumn 2025.</p>	DSL	9/25
Reducing Permissive Environments - To reduce exposure to radicalising influences on susceptible audiences.					
Risk	Existing measures	RAG	Further action required	Assigned to	Timescale
<p>Building children's resilience to radicalisation</p> <p>Children and young people being exposed to intolerant or hateful narratives and lack understanding of the risks posed by terrorist organisations and extremist ideologies that underpin them.</p>	<p>The school provides a safe space in which children and young people can understand and discuss sensitive topics, including terrorism and the extremist ideas that are part of terrorist ideology, and learn how to challenge these ideas.</p> <p>There is a broad and balanced curriculum in place which promotes the spiritual, moral, cultural mental and physical development of students and fundamental British values and community cohesion. The school embeds fundamental British values into the curriculum, while also ensuring specific discussions can take place in a safe environment. The school encourages pupils to respect other people, with particular regard to the protected characteristics set out in the Equality Act 2010.</p> <p>There are opportunities in the curriculum to explore relevant topics, such as in Citizenship and Relationships, Sex and Health Education (RSHE). This includes learning around building positive relationships and the importance of respecting difference, and, for example, taking part in the United Nations Rights Respecting Schools Programme</p> <p>The PSHE curriculum is monitored by senior leaders through observations, book checks and is quality assured.</p>		<p>To continue to review the PHSE curriculum to ensure that it remains current regarding radicalisation.</p> <p>Quality assurance</p> <p>Prevent interventions where required.,</p>	PSHE Lead and DSL/Prevent Lead	12/25

IT and filtering systems. Staff and pupils being able to access or be exposed to extremist materials via the school networks.	The designated safeguarding lead should take lead responsibility for safeguarding and child protection (including filtering and monitoring and online safety). The school has the Smoothwall filtering and monitoring systems in place which is signed up to the Counter-Terrorism Internet Referral Unit list (CTIRU), which blocks harmful content. The filtering and monitoring system is tested half termly. Outcome of test are shared with DSL and Governors. In the event of breached on the school IT system, live alerts are sent to the DSL / Prevent Lead to review and taken action when required.		Filter test to be completed half termly by the IT Lead and the Prevent/DSL lead. Filter test and notifications to be shared with the governing body.	IT Lead / DSL	Each half term
Venue Hire Risk of potential harm to pupils and staff by the influence of radicalisers	The school has a venue hire policy in place, to ensure that the schools premises are not used by radicalising influencers. The school will carry out due diligence checks on the person or organisation who apply to hire the premises. Safeguarding checks will be completed.		If the school venue does not hire to external parties, grey out this section.		
External speakers or visitors being given a platform to radicalise children and young people or spread hateful or divisive narratives.	The school has a clear process in place to manage site visitors, including sub-contractors. The site is secure with 2 secure entrances and exits for parents. The school has a robust visit procedure to implement and carry out due diligence checks on visitors, speakers, and organisations. Guest speakers are supervised by a staff member at all times.		Ongoing routines as left	HT	ongoing
